THMinistry.org

- This message is about having eyes to see Jehovah's blessing.
- Yogi Bera, past manager for the NY Yankees, used to say "deja vous all over again." Allow me to set the lineup! A brother in Christ was placed on "IR" Injured Reserve having been blessed by Jehovah. When taken from the lineup and placed on "IR" you watch a replacement fill in. This can create anxiety and depression for the first stringer if their focus is not right. Our brother's focus was fortunately on target. The

THMinistry.org

replacement, never had as much responsibility thrust upon him. He had tended dogs, cats, fish, hamsters, reptiles, and helped raise a couple of boys to full grown men, never had I tended kine. At first approach the kine were cautious. However, they recognized the bucket I carried. They knew it had a blessing they wanted. So they gathered round as I spilled the corn and molasses mixture into the trough. Making my way back to the barn one gave me a quick side kick just to make sure that I understood they

THMinistry.org

wanted the first stringer back. They wanted nothing to do with a replacement. After a few days, the kine made their way to the feed trough as my pickup truck pulled in to the yard. As I filled the bucket, and opened the gate they stood there looking me in the eye, waiting to be fed. It was the same with the cats. After a few days they would jump out of hiding and race to their feed before I left.

- The cats and cows knew me. They knew I was

THMinistry.org

there to bless them. They were eager to receive blessing. My bother in Christ and I were used by Jehovah as instruments to bless. I have been sent packing. My brother is off "IR". Ten days was I led by the Spirit of Jesus into the wilderness, to learn man shall live by every word that proceeds out of the mouth of God. It is not about and never was about anything we do for the Kingdom of God, but when we allow Almighty God to work in us and through us. When we reflect His glory we become salt and

THMinistry.org

light to a lost and dying world. We begin to understand the horrible sacrifice of a loving God and Jesus Christ. We have responsibility to a higher calling and purpose in life committed to His Lordship. For God's word to have the desired results in our life we must listen and obey!

- In (Deuteronomy 8:3) the discourse is respecting manna. Moses says that the Lord humbled the people, and fed them with manna, an unusual

THMinistry.org

kind of food, that they might learn that man did not live by bread only, but that there were other things to support life, and that every thing which God had commanded was proper for this. The term "word," used in this place, means very often, in Hebrew, thing, and clearly in this place has that meaning. Neither Moses nor our Savior had any reference to spiritual food, or to the doctrines necessary to support the faith of believers; but they simply meant that God could support life by other things than bread; that man

THMinistry.org

was to live, not by that only, but by every other thing which proceeded out of his mouth; that is, which he chose to command men to eat. The substance of his answer, then, is: "It is not so imperiously necessary that I should have bread, as to make a miracle proper to procure it. Life depends on the will of God. He can support it in other ways, as well as by bread. He created other things to be eaten, and man may live by everything that his Maker has commanded." And from this temptation we may learn;

THMinistry.org

- (1.) Satan often takes advantage of our circumstances and wants to tempt us. The poor, and hungry, and naked, he often tempts to repine and complain, and to be dishonest in order to supply their necessities.
- (2.) Satan's temptations are often the strongest immediately after we have been remarkably favored. Jesus had just been called the Son of God, and Satan took this opportunity to try him. He often attempts to fill us with pride and vain

THMinistry.org

self-conceit, when we have been favored with any peace of or any new view of God, and endeavors to urge us to do something which may bring us low, and lead us to sin.

- (3.) His temptations are plausible. They often seem to be only urging us to do what is good and proper. They seem even to urge us to promote the glory of God, and to honor him. We are not to think, therefore, that because a thing may seem to be good in itself, that therefore it

THMinistry.org

is to be done. Some of his most powerful temptations are when he seems to be urging us to do what shall be for the glory of God.

- (4.) We are to meet the temptations of Satan, as the Savior did, with the plain and positive declarations of Scripture. We are to inquire whether the thing is commanded, and whether, therefore, it is right to do it, and not trust to our own feelings, or even our wishes, in the matter.
- Omniscient means all knowing.

THMinistry.org

- Text: John 13: 3 ASV

Jesus , knowing that the Father had given all the things into his hands, and that he came forth from God, and goeth unto God.

- Text: John 18: 1&4 ASV

Jesus went over the brook Kidron, where was a garden, into which he entered and his disciples; knowing all the things that were coming upon him, went forth, and saith unto them, Whom seek ye?

THMinistry.org

- **Text:** John 19: 26-28 ASV

Jesus saw his mother, and the disciple standing by whom he loved, he saith unto his mother, Woman, behold thy son! Then saith he to the disciple, Behold, thy mother! From that hour the disciple took her unto his own home. Jesus, knowing all things are now finished, that the scripture might be accomplished.

- **Text:** II Peter 1-3 ASV

This second epistle I write you; in both I stir up

THMinistry.org

your sincere mind that ye remember the words spoken before by the holy prophets, and the commandments of the Lord and Saviour through apostles: knowing in the last days mockers shall come with mockery, walking after their own lusts.

- **Text:** II Peter 3: 17 ASV

Beloved, know these things beforehand.
Beware lest, being carried away with the error of the wicked, ye fall from your steadfastness.
